EDUCATION

University of California, Davis, College of Letters & Science — **Davis, CA**
Bachelor of Arts in Design & Communication — *June 2027*
Portfolio: lisawang.studio

RELEVANT EXPERIENCE

Expresso - AggieWorks | expressodavis.org — **Davis, CA**
Product Designer — *Oct 2026 – Present*

- Only product designer on a 7-person team building Expresso, a coffee chat platform that connects UC Davis students with student and alumni mentors, working closely with the PM
- Reviewed the current site and tested it with users before redesigning the About page
- Designed a sort-by option for the mentor list (Alphabetical, Newest, Recommended) so students can find a good match faster, and worked with engineers on how it should work
- Designed a pop-up for first-time students that walks them through how coffee chats work

Triceratops - Client Project | davistriceratops.com — **Davis, CA**
Designer & Developer — *June 2025 – Oct 2026*

- Worked on research, wireframes, testing, and vibe-coding over a 5-week sprint. The site launched at the UC Davis Involvement Fair and got 790 visits in its first week
- 47 of 129 new Discord members (36%) joined through the site's Join button, more than any of the club's other 9 invite links
- Designed the Rules page in Figma and coded it in VS Code, with code reviews on GitHub. Members said it made it much easier to understand how to take part
- Interviewed and surveyed users, sorted what we learned with affinity maps, and used it to plan the site's layout and visual style. Tested mid- and hi-fi prototypes and made changes after an outside design review

Foundverse — **Davis, CA (Hybrid)**
Marketing & UX/UI Intern — *June 2026 – Aug 2026*

- Designed the waitlist landing page for the Build Sprint program in Figma, including the sign-up flow and messaging
- Created the company's visual identity and brand book, used across all marketing and digital materials
- Planned what to post and when using content themes and calendars, and worked with the founder to keep the brand voice consistent
- Wrote scripts, filmed, and took photos for social posts, and tracked consent forms for teen participants

EKHO Dance — **Davis, CA**
Dance & Social Media Director — *June 2025 – Sep 2026*

- Ran the team's Instagram and TikTok. Our top video got 212K views and 22K likes, and another got 72K views
- Made the Winter/Spring 2026 recruitment video, which got 3,900+ views on Instagram
- Designed graphics and thumbnails in Photoshop and Canva with the Post-Production Director, and helped teammates with captions
- Reached out for performances and collabs, and planned cover shoots, events, and rehearsal schedules

PROJECTS

Harmonize | Design Interactive — **Davis, CA**
Product Designer — *April 2026 – June 2026*

- Worked with a partner to design Harmonize, an app that connects musicians and producers, from research to a hi-fi Figma prototype
- Led user interviews and affinity mapping to figure out what musicians actually needed
- Designed the Challenge and Feed screens and gave the app a warm look that stands out from other music apps
